I'm writing to ask for your support for a very meaningful cause. This year, I'll be taking part along with 12,000 other people in the 18th Annual Donate Life Run/Walk benefiting the OneLegacy Foundation on April 25, 2020. I'm asking you to help support my efforts with a contribution. The gift of donation is rare and precious and nearly 18 people die each day wraiting for a lifesaving organ. Your tax-deductible gift will help to save and heal lives by inspiring and advancing donation and transplantation of organs and tissues through research, public education, and honoring donors whose legacies live on.
Please visit my Personal Page for more information. {Insert your Personal Page link or your Team Page link, which ever you prefer} It is faster and easier than ever to contribute. Simply click on the link at the bottom of this message to contribute online. If you prefer, you can mail a contribution supporting me to the address listed below. Please make the check payable to Donate Life Run/Walk and include my name in the "Nemo" section.
